I HAVE BEEN SOLE TRADER FOR FOUR years; have done a good deal of business for many years; have done a good deal of business for many years; have kept my private, separate property for many years before I married Mr. Doscher; have done business with all the best bankers and merchania on the Pacific coast, and never owed a two-bit piece during that time. I was sued a year ago for a bill of goods during my absence from Proche, that was ordered and shipped in Mr. Doscher's name. A Cornishman named Joe Opie bought Mr. Doscher out before he went to Arizona. Opie leased the lower part of my house, in which he opened a saloon. Three weeks after Mr. Doscher lett for Arizona, the liquors ordered by him arrived. Under false pretense Joe Opie took possession of the liquor, and disposed of them in various ways. I was sued for the above liquors, ordered without my knowledge, and \$600—rents—due me, attached and held for one year by John Kane, then Sheriff of this county; and at the present time no account can be given of the imoney, and all the satisfaction that I can get, is, that Kane paid it out for, buggy hire to Wes. Travis, the present sheriff.

I shall leave for San Francisco in a few days, and during my absence H. M. Barnes will act as my agent.
